Jordan,

Can you please proceed with the truck cap order? As discussed – it will be per the attached spec in Delmonico Red to match the pickup truck. Please plan to invoice this separately from the truck purchase.

Thanks!

Good evening Jordan,

Can you please have your upfitter provide a quote for a truck cap per the attached spec? The cap should be the same color as the truck (Delmonico Red).

Also, I know it's early in the build, but do you have a rough estimate of a delivery window for the truck yet? Once you have that I want to pass the information along to our lights/radio upfitter.

Thanks!
